## INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF ARPITA MEDIA PRIVATE LIMITED

### Report on the Financial Statements

#### Opinion

We have audited the Financial Statements of Arpita Media Private Limited ("the Company"), which comprise the Balance Sheet as at 31<sup>st</sup> March 2022, Statement of Profit and Loss and notes to the Financial Statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, and loss for the year ended on that date.

#### Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Financial Statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Emphasis of Matter

We draw your attention to Note B.5 of the Note 17 to the Financial Statements regarding some of the parties account are subject to confirmation, however, in the opinion of the Board, Current Assets and Loans & Advances would have a value on realization in the ordinary course of business at least equal to the amount at which they were stated in the Financial Statements.

Our opinion is not modified in respect of this matter.

#### Responsibility of Management for Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Financial Statements that give a true and fair view of the financial position and financial performance of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those Board of Directors are also responsible for overseeing the company's financial reporting process.

**Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

**Report on Other Legal and Regulatory Requirements**

1. As the Company is a Small Company as defined under clause (85) of Section 2 of the Companies Act, 2013, the provisions of the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of Sub-Section (11) of Section 143 of the Act, are not applicable to the Company.

2. As required by Section 143(3) of the Act, we report that :

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;

**Significant Accounting Policies and Additional Notes to the Financial Statements for the year ended March, 31, 2022**

**A. Significant Accounting Policies :**

**A.1. Basis of Preparation and Presentation of Financial Statements :**

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (GAAP) to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013 ("the 2013 Act"). The financial statements have been prepared on accrual basis under the historical cost convention. Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

**Use of Estimates :**

The preparation of the financial statements in conformity with GAAP requires that the management of the Company makes estimates and assumptions that affect the reported amounts of income and expenses of the year, the reported balances of assets and liabilities and the disclosures relating to contingent liabilities as at the date of financial statements. Examples of such estimates include the useful lives of tangible and intangible fixed assets, provision for doubtful debts/advances, future obligations in respect of retirement benefit plans etc. Future results could differ due to these estimates and the differences between the actual results and estimates are recognized in the periods in which the results are known/materialize.

**A.2. Events occurring after the balance sheet date:**

No adjusting or significant non adjusting events have occurred between the reporting date and date of authorization of Financial Statements.

**A.3. Revenue Recognition :**

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. Interest income is recognized on time proportion basis taking into account the amount outstanding and rate applicable. Revenue from sale of product is recognized, net of trade discounts. Sales exclude indirect taxes.

**A.4. Property, Plant & Equipment :**

Property, plant and equipment are carried at cost less accumulated depreciation and impairment losses, if any. The cost of property, plant and equipment comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use, other incidental expenses and borrowings costs attributable to acquisition of qualifying fixed assets up to the date the asset is ready for its intended use. Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably.

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognized in profit and loss.

**Depreciation Methods, Estimated Useful Lives and Residual Value :**

The Company depreciates its Property, Plant & Equipment over the useful life in the manner prescribed in Schedule II to the Act. Depreciation is provided on pro-rata basis on written down value method using the rates arrived on the basis of useful life of assets specified in Part C of Schedule II to the Act. Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in the Statement of Profit and Loss.

Useful life considered for calculation of depreciation for various assets class are as follows:

Assets	Useful Life
Plant & Machinery	15 Years
Office Equipment	05 Years
Computer	03 Years
Furniture & Fixture	10 Years

**A.5. Borrowing Costs :**

Borrowing cost includes interest, amortization of ancillary costs incurred in connection with the arrangement of borrowings and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the asset. All other Borrowing Costs are recognized in the Statement of Profit & Loss in the period in which they are incurred.

**A.6. Earnings per Share :**

Basic and diluted earnings per share are computed by dividing the net profit attributable to equity shareholders for the year, by the weighted average number of equity shares outstanding at the end of the year. There are no diluted potential equity shares.

**A.7. Income Taxes :**

Tax expenses comprise current and deferred tax. Current tax comprises Company's tax liability for the current financial year as well as additional tax paid, if any, during the year in respect of earlier years on receipt of demand from the authorities. For computation of taxable income under the Income Tax Act, 1961, accrual basis of accounting has been adopted and consistently followed by the Company. Deferred tax assets and liabilities are computed on the basis of timing differences at the Balance Sheet date using the tax rate and tax laws that have been enacted or substantially enacted by the Balance Sheet date.

Deferred tax assets are recognized based on management estimates of reasonable certainty that sufficient taxable income will be available against which such deferred tax assets can be realized. Unrecognized deferred tax assets of earlier years are re-assessed and recognized to the extent that it has become reasonably certain that future taxable income will be available against which such deferred tax assets can be realized.

**A.8. Impairment of Assets :**

The carrying values of assets/cash generating units at each balance sheet date are reviewed for impairment, if any, indication of impairment exists. An impairment loss is recognized for the amount by which the asset's carrying amount exceeds its recoverable amount, which is the higher of fair value less costs of disposal and value in use. The value in use is arrived at by discounting the future cash flows to their present value based on an appropriate discount factor. When there is indication that an impairment loss recognized for an asset in earlier accounting periods no longer exists or may have decreased, such reversal of impairment loss is recognized in the Statement of Profit and Loss, to the extent the amount was previously charged to the Statement of Profit and Loss.

### **A.13. Provisions, Contingent Liabilities and Contingent Assets :**

The Company recognized a provision when there is a present obligation as a result of past event, and a reliable estimate can be made of the amount of the obligation. Provisions are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates. The liabilities or obligations, which cannot be crystallized but loom in horizon, are disclosed as contingent liabilities.

Contingent assets are not recognized in financial statements since this may result in the recognition of income that may never be realized. However, when the realization of income is virtually certain, then the related asset is not a contingent asset and is recognized. A contingent asset is disclosed, in financial statements, where an inflow of economic benefits is probable.

### **B. Additional Notes :**

**B.1.** The indicators listed in paragraph 8 to 10 of Accounting Standard (AS-28) "Impairment of Assets" issued by the Institute of Chartered Accountants of India have been examined and on such examination, it has been found that none of these indicators are present in case of the Company after taking into consideration derecognized assets.

**B.2.** In the opinion of the Board, Current Assets and Loans & Advances would have a value on realization in the ordinary course of business at least equal to the amount at which they were stated in the Financial Statements.

**B.3.** Figures of previous year have be re-grouped or re-arranged to make them comparable with figures of current year.
